Also know as the "Update Clinic"

If you have not attended a clinic since "2011" you will lose your certifications next June if you do not attend a clinic this year. CO & DM are excluded. That means that you need to have a 'Last Clinic Season' of 2012, 2013, or 2014 (this season). If your last season is 2012 you need a clinic this year to stay current.

RMD's Home Team and Gold Medal Initiative

The RMD offers athletic based grants to assist young ski racers through fundraising events like a Sporting Clay Shoot, Epic Bike event, and a Golf Tournament. This Gold Medal Initiative's charter is to place RMD athletes on the top step of the podium at the Olympic level. RMD provides funding assistance for programs that are designed to recruit, retain and develop talented, young Colorado athletes with the potential to advance to the U.S. Ski and Snowboard Teams. We encourage all of our officials to help with this charge through participating in these events or through donation to Home Team and the GMI. Details on these fundraisers and all divisional

information can be found at the RMD website <http://rocky.ussa.org/>*

Coaches must have a USSA Coach Membership

Not a competitor or any other membership. We recommend that all coaches print & carry their current membership card as proof of membership. Race Administrators MUST verify the status of a coaches' membership before providing an EVENT lift ticket.

Additional Clinics

Satellite clinic rules are posted on the web site. RMSRO needs a minimum of 2 weeks to find teachers and post the clinic on the web. RMSRO charges \$10/clinic participant and the host club is responsible for all expenses including those of the Instructors.

RMSRO Advancement Procedure

In order to advance in level you are responsible for supplying the RMSRO Board with two completed recommendation forms. We update the database in the spring and again in early winter after the fall clinics have been completed and send lists of upgrades to USA. RMSRO does not automatically advance anyone.

Activity Record (Work Cards)

If you wish credit and want to advance, we need a record of what races you have worked. To do this you need to send in your work card. If you don't have one, please send a list of the race days (not race codes) you have worked, the name of the race, number of days, and your position. A facsimile of the RMSRO work card can be downloaded from the RMSRO web site. USA keeps track of events worked, but please do NOT submit the USA record, rather copy the information to your work card. If you miss one or more years, you can still send in your work history for credit. You may not, however, submit work history for a year or years prior to a year for which you have already submitted your work history. You will only receive credit for one position per day.
