Continuing Education

Also know as the "Update Clinic"

If you have not attended a clinic since "2014" you will lose your certifications next June if you do not attend a clinic this year. CO & DM are excluded. That means that you need to have a 'Last Clinic Season' of 2015, 2016, or 2017 (this season). If your last season is 2015 you need a clinic this year to stay current.

RMD's Home Team and Gold Medal Initiative

The RMD offers athletic based grants to assist young ski racers through fundraising events like a Sporting Clay Shoot, Epic Bike event, and a Golf Tournament. This Gold Medal Initiative's charter is to place RMD athletes on the top step of the podium at the Olympic level. RMD provides funding assistance for programs that are designed to recruit, retain and develop talented, young Colorado athletes with the potential to advance to the U.S. Ski and Snowboard Teams. We

encourage all of our officials to help with this charge through participating in these events or through donation to Home Team and the GMI. RMSRO donated a hole sponsorship (\$250) for the gold tournament

RMSRO Advancement Procedure

In order to advance in level you are responsible for supplying the RMSRO Board with two completed recommendation forms. We update the database in the spring and again in early winter after the fall clinics have been completed and send lists of upgrades to USSA. RMSRO does not automatically advance anyone.

Activity Record (Work Cards)

If you wish credit and want to advance, we need a record of what races you have worked. To do this you need to send in your Work Card. Download [HERE](#) or from RMSRO website and complete it by listing the race days (not race codes) you have worked, the race name, # of days, and your position. USSA keeps track of events worked, but please **Do Not** submit the USSA record,. If you miss one or more years, you can still send in your work history for credit. You may not, however, submit work history for a year or years prior to a year for which you have already submitted your work history. You will only receive credit for one position per day.
