RMSRO Initiatives

This summer the RMSRO Board of Trustees have been working on several new initiatives. First you may have noticed the new RMSRO logo at the top of the newsletter. After several alternatives were submitted and reviewed the board has selected the new logo above. In addition to a new logo, the board has also been working on a Volunteer Recognition program. With the support of US Ski and Snowboard, we'll be recognizing RMSRO members as they earn levels of service within their certifications. More details to come at the annual meeting.

Charlie Burnham Retires as Database Admin

After more than 14 years as the RMSRO Database Administrator, Charlie Burnham has decided to retire. He's known for maintaining the most sophisticated volunteer database system within US Ski and Snowboard. Charlie will be missed. Tom Ptach will be taking over Charlie's responsibilities and going forward, work history cards should be sent to Tom Ptach at tom@mybrokers.com.

SafeSport Training

All Coaches, Officials and Club Volunteer members are required to complete SafeSport training in order to have an active membership. Even if you completed the initial training last year, you are still required to complete the refresher course every year. The SafeSport system is available to all U.S. Ski & Snowboard members at safesport.org. Accounts can be setup by using your 7-digit USSS member number.

Hannah Soria and Brendan Keane each received the RMSRO Annual Scholarship (\$1000) for being the top Junior Non-Collegiate Male & Female Competitors at US Nationals.

RMSRO Advancement Procedure

In order to advance in level you are responsible for supplying the RMSRO Board with two completed recommendation forms. We update the database in the spring and again in early winter after the fall clinics have been completed and send lists of upgrades to USSS. RMSRO does not automatically advance anyone.

Activity Record (Work Cards)

If you wish credit and want to advance, we need a record of the races you have worked. To do this you need to send in your Work Card. Download [HERE](#) or from RMSRO website and complete it by listing the race days (not race codes) you have worked, along with the details shown. Do NOT submit the USSS record, rather copy the information to your work card. You will only receive credit for one position per day.
