

ADDITIONAL FIS DOCUMENTS – SPECIAL CIRCUMSTANCES (Instructions for Use)

FIS Alpine events require that the Report of the Technical Delegate be filed online. The FIS Injury Report (ISS) has been incorporated into the online report, so paper copy filing of this document is no longer required for most FIS events.

- A paper copy of the FIS Report of the Technical Delegate is required for:
 - FIS Masters
 - FIS PARA
 - FIS Children
 - Some canceled FIS events (as notified by FIS)
- A paper copy of FIS Injury Report (ISS) is also required If an injury occurs at any of the following:
 - FIS Masters
 - FIS PARA
 - FIS Children
 - FIS Alpine event that is terminated or canceled (e.g., Downhill event canceled, but an injury occurred in DH Training). There is no result XML file submitted for terminated or canceled events, so an online Report of the Technical Delegate incorporating the FIS Injury Report (ISS) is not available

This folder contains the following documents:

- Report of the Technical Delegate
- FIS Injury Report (ISS)

NOTE: Additional documents (e.g., Jury Minutes, etc.), may also need to be submitted.

If these documents are required, using the FIS-assigned codex number as the email subject, please submit in scanned/PDF format to:
